

PARENT & CHILD CLASSES

Introducing basic gymnastic and developmental skills in a fun and non-competitive environment.

*One parent/guardian is REQUIRED with each child.

* Parents are expected to remain on the floor and participate in the guidance and exploration.

PLAYTIME PALS

AGES: 20 – 34 MO. (MUST BE WALKING)

This parent and child interactive class is designed to introduce the use of gross motor skills, strength, balance, and coordination through various activities and obstacles.
